(2) As above. Please see Pt 4-5 of Go no 790 dtd 26-5-31. The DF's original BF's are also placed below:-

2) The necessity for incurring large expenditure on repairs to the Malpe Iyard is explained by the DF on Pt 4-5 of the Go. referred to above. Other yards require repairs but the cost is not as high as in this case. A sum of Rs 22-10 was asked for by the DF for expenditure on this account in the current year. For details of this amount

What has happened to the proposal to substitute pukka sheds ?

Attd 8/6

To A.S.,

Please see G.O. No. 203 Dev. dated 4-2-34. The Government have sanctioned the D.F.'s proposal to construct permanent store sheds but only a sum of Rs. 5000 has been provided in the budget for 1934-35 ~~and the~~. Though the sheds or another 2 godowns are estimated to cost Rs 30000/ D.F. has been asked to utilise the provision on the works he considers most urgent. ~~The account on repairs is likely to be required till the 5 sheds at Mealpet at a cost of Rs. 10000 are constructed.~~
